

**AEGEAN Hub, your dedicated
travel trade portal has landed.**

Scan the QR code and register now!

Welcome to the Aegean Hub!

Created by experts for experts, the AEGEAN Hub is our newly designed dedicated knowledge bank providing instant access to useful travel information including the latest updates about Aegean's products, promotions, services and policies.

1. Your AEGEAN sales team invites you to scan the QR code on the reverse of this flyer or visit www.aegeanhub.com to register for your AEGEAN Hub account.
2. Click on "Apply for Registration", fill out the registration form with your professional details (individual work email, not a generic email address) and submit.
3. Within 48 hours you will receive an email from noreply@aegeanhub.com containing a link (if not, please check your spam folder).

Kindly read through the steps below before clicking on the link.

1. The link is valid for **15 days** after receiving the email. You can click on the link up to 3 times. Clicking on this link allows you to create a personal password.
2. Your username is the email address to which the link has been sent and the password is the one you created in the step above.
3. Once you have completed your registration, you will become the Administrator of the account and you can then add users/contacts.
4. To add additional users, log in to AEGEAN Hub and select the "Agency personal info" icon at the top right of the page, then click "Add contact". Additional users must be assigned a 'user role' which determines their access level:

» **Administrator:** can add contacts and has access to all agency requests.

» **Contact:** cannot add users and has limited access to requests.

CONGRATULATIONS! YOU ARE CONNECTED!
